The screenshot shows the Apache Tomcat homepage. The browser address bar displays 'tomcat.apache.org'. The page features the Apache Tomcat logo, a search bar, and a navigation menu. The 'Download' section is highlighted with a red box, showing 'Tomcat 8' as the selected version. The 'Documentation' section lists various resources. A red arrow points from the 'Tomcat 8' link in the 'Download' section to the download page.

The screenshot shows the Apache Tomcat download page. The browser address bar displays 'https://tomcat.apache.org/download-80.cgi'. The page lists various download options under the heading 'Binary Distributions'. A red box highlights the '32-bit Windows zip (pgp, sha512)' and '64-bit Windows zip (pgp, sha512)' links. The page also includes a 'Source Code Distributions' section and a 'Problems?' section.
